It is the intent of these drawings and specifications to produce a complete project. In all cases the drawings and specifications must be reviewed, priced, estimated, and constructed in their entirety. The drawings are complementary to one another and the specifications. Anything shown or implied on any one drawing must be provided, installed and connected as though it was shown on all drawings and included in the original pricing. No request for additional cost, or change orders will be accepted by the owner from any contractor, subcontractor, supplier or installer that result from a failure to thoroughly review ALL the drawings, coordination with other trades, or thoroughly inspect the site to determine all existing conditions.
