Chesapeake Real Estate Group Captures “Best in Real Estate” Award

03/10/16

Chesapeake Real Estate Group, LLC (CREG) was honored by The Baltimore Business Journal in the **2016 "Best in Real Estate Awards"** in the Industrial Sale category.

The Baltimore-based commercial real estate operating company, and their financial partner USAA Real Estate Company, acquired the former Sun Products Corporation manufacturing facility and nearly 47 acres, located on 5300 Holabird Avenue in Baltimore City last year. Pictured is Ed Brady of CREG with the award. The site was re-branded to become Port 95 Industrial Park and will be developed to offer approximately one million square feet of Class "A" industrial space.
